# About me...

Hi, I'm Brenna! (sounds like Jenna)

Owner and operator of Fairytail  
Photography.

I have been in love with animals,  
photography, and love itself, for as long  
as I can remember. Since the moment I  
took my first dog photo, on my moms  
pink Motorola Razor, I've loved  
capturing the moments that matter most  
in life. What could be more important  
than capturing the bond between you  
and the love of your life, whether that be  
human or four legged!

## My style...

Bold, emotional, moody, timeless, and colourful. Those are the words I would use to describe my style. I aim to capture and present how a moment feels more than even how it looked. I want you transported back to that moment and every feeling that comes with it. That's my goal and what I portray within my style.
